- Portfolio : [Nour-Zendaki/Portfolio-Project](#)

Passionate Front-End Developer skilled in React.js, JavaScript (ES6+), and modern web technologies. Hands-on experience building responsive interfaces during a 152-hour internship at Vica Web Solutions. Proficient in state management (Context API), RESTful API integration (Axios), and clean code practices. Currently pursuing a degree in Information Engineering at IUST, with a focus on merging technical expertise with user-centric solutions. Committed to delivering high-performance web applications.
